STEP 1 - HAVE FUN!

Greetings! Thank you for purchasing the Kingdom of God poster. The poster is designed to help you, your family and your friends have fun and become more curious about Jesus' favorite topic, The Kingdom of God. People often call the Kingdom of God, 'the upside down Kingdom.' Upside down because in many ways it is the opposite of the kingdom of this world. The world says "Bigger is better." The upside down Kingdom says "Small can be extremely important." The world says "Being rich makes it easier." The Kingdom of God says "Being rich actually makes it harder." Crazy, huh? That is why it is called the Upside Down Kingdom.

STEP 2 - FIND THE MATCHES

Okay! On to the poster. Most of Jesus' teaching about The Kingdom of God are represented in the poster by different colored sheep and goats. The sheep and goats are paired by color. Once you find some sheep or goats that interest you, look for their matching sheep or goats with the same color in the poster. What do you think they are they trying to teach you?

STEP 3 - LEARN

Next, look near the sheep or goat for the Bible reference to Jesus' teaching about them. Read the verses and talk about what you think the verses mean. We have found that kids are awesome conversation starters about the poster. Let them explore and then visit the teachings that they are interested in.

STEP 4 - DEVOTIONALS

Still feeling overwhelmed and don't know where to begin? We have organized it for you, from the simplest verses to the more complex. The order is printed on the border of the poster and on the reverse page of these instructions. **We also have 30 simple, free and fun daily devotionals for all ages on BaaaMaaa.com to help guide your exploration and conversations.** The devotionals include discussion questions and teaching to help you understand what Jesus is teaching. The QR code to the right will take you right to the lessons. Enjoy your adventure!

STEP 5 - HIDE AND SEEK

Hidden in the poster are over 80 items for you to find that are not sheep or goats. Can you find the 12 mustard seeds? or the sword? Most of the items are related to the Bible but there is nothing deep and theological to Step 5. It is just fun to do. The full list of items is on the next page.

We pray you have fun and that Jesus' teachings about The Kingdom of God go deep into your heart and that you learn to advance that Kingdom here on earth. If you like the poster, please follow us on social media and punch those like buttons. **Each purchase also helps a youth in foster care so The Kingdom of God is already advancing because of you!** BaaaMaaa is a carbon negative company so the planet is better along the way, too. Thanks again for purchasing the poster and have fun discovering God's Kingdom.

Many Blessings ~ Rick & Rebecca
